

ACCIDENT TO MORELLO

CAUSED THE GREAT COLT TO MAKE A BAD SHOWING AT CHICAGO.

Rudolph Wins the Columbus Handicap With Yo Tambien Second—Morello Badly Handled.

CHICAGO, July 15. UDOLPH won the money and Yo Tambien the glory in today's Columbus Handicap, the greatest race ever run in the West.

Conceding seventeen pounds to the winner, the Kendall stable mare was but a half length behind when the finishing line had been passed, and her handling by Jordan was not the best.

A length and a half away came another Western horse—Ray S., who was only a half length in front of London.

Illume was fifth, then followed the two Eastern horses, Diablo and Lamplighter. Michael came next, and then Morello, carrying the public's money and an injured jockey, and limping from his own hurts.

What figure the great Futurity winner might have cut but for an accident at the post, will never be known. In some way the colt stumbled in a false start, receiving injuries and jamming the jockey so, that he asked Pettinelli to excuse him, but this was refused.

Morello's shoulder was bruised, and a big lump was made on the side of the head. After the race he limped when being led to the stable.

There was a twenty-minute delay at the post. Talar, spotted and good start, but Morello fell, and the talent felt grateful to Diablo's rider. Finally they were sent away, to one of the prettiest starts ever seen in a race, being in almost perfect alignment, and all moving.

The crowd broke out into a cheer, which did not die away until long after the race was over.

As they scattered past the stand, Maid Marian, Rudolph, Wildwood and Highland were almost head and head, a length in front of Ida Pickwick and Morello, at whose shoulders raced Michael and London.

The rest were in a bunch, except Poet Scout, who was trailing.

The plan of the Kendall stable was now made apparent. Maid Marian moved out of the bunch, and at the quarter was leading by a length. But Miller, on the favorite, set out to thwart it. He took Morello forward, and began a fight with the Maid for the race, but did not catch up.

Rudolph was running easily in third place, Highland, Ida Pickwick and Yo Tambien were next in order, with Lamplighter in the middle of the bunch.

Maid Marian had increased her lead at the half to two lengths, and many shouted, "They'll never catch her." But the little filly had nearly run her race.

At the three-quarter pole she was leading Morello by only a head. As his hip was Rudolph, still galloping without much opponent exertion.

Then followed Yo Tambien, Wildwood, London, Highland, Michael, Santa Anna, Diablo, Huron, Lamplighter, Ray S., Ida Pickwick, Illume and Poet Scout in the order named. The first four were separated from the rest by daylight, but it was not all in all a very compact bunch.

Turning into the stretch, the crowd gave up the fight, and dropped back into oblivion. Morello led, but only for an instant. He made a wide swerve, and Rudolph and Yo Tambien at once took advantage of it, and the order in the stretch was Rudolph, Yo Tambien and Morello, necks apart, followed by Ray S., who had made a wonderful start, Lamplighter and Diablo, still galloping without much opponent exertion.

bunch hits on Rusie lost the game for Cleveland today. It was a finely played contest, and the fielders of both teams made brilliant stops. The work of McKean was particularly good. He made two running one-hand stops that were the best plays of the game. In the eighth inning Cleveland awoke to the fact that Rusie could be hit, but it was too late then to win. Rain began during the game. Attendance, 2,000. Score: Cleveland.....0000000000-3 12 1 New York.....001420000-7 12 3 Batteries: Clarkson and O'Connor; Rusie and Milligan.

Chicago, 9; Baltimore, 1. CHICAGO, July 15.—The Chicago broke their record today by winning three straight games from Baltimore. Since Wilmoit heard that Chicago had accepted the services of Frank, of the Memphis team, an outfielder, he has been playing great ball. He made two triples today, scoring four runs. The Colts won the game hands down. Weather cloudy and hot. Attendance, 2,300. Score: R. H. E. Chicago.....03401010-9 12 3 Baltimore.....100000000-1 5 1 Batteries: Mauk and Klitzke; Hawke and Clarke.

St. Louis, 7; Brooklyn, 3. ST. LOUIS, July 15.—Pitcher Kennedy went in again today, hoping to retrieve yesterday's defeat. He was very successful up to the sixth inning, when the Browns opened on him. Daly and Corcoran made fearful errors, and four runs were scored. The Browns kept up the fun in the seventh and eighth. Kennedy pitched a winning game of ball, but his support was discouraging. Clarkson was invincible. Attendance, 5,000. Score: St. Louis.....100004120-8 9 1 Brooklyn.....100002000-3 4 4 Batteries: Clarkson and Gussion; Kennedy and Kinslow.

Pittsburg, 19; Washington, 0. PITTSBURG, Pa., July 15.—Pittsburg gave Washington a shameful whipping today, scoring in every inning, except the ninth, and shutting the Senators out for the first time this year. Duryea was compelled to undergo one of the worst sloughests ever witnessed at Exposition Park. Stenzel cleaned the bases in the second inning with a home run, and again in the fifth with a triple, while Killen, Van Hatten and Smith each made home runs in the eighth. Killen pitched in great form. Gaffney took a kick. Attendance, 3,700. Score: R. H. E. Pittsburg.....14124304-19 15 3 Washington.....000000000-0 5 4 Batteries: Killen and Miller; Duryea and Farrell.

Cincinnati, 7; Cincinnati, 4. CINCINNATI, O., July 15.—The Bostons out-batted the Reds this afternoon, and won in rather easy style. The features of the game were home-run drives by Canavan and Jud Smith. The weather was dark and threatening at the start, but cleared away as the game was finished. Attendance, 3,122. Score: R. H. Southern League Association Refers it to an Arbitration Committee.

CHATTANOOGA, TENN., July 15.—The Southern League Association met here today. The first series pennant squabble between Augusta and Charleston came up, and after some argument it was referred to the arbitration committee, which will meet and finally decide the question one day next week. The election of J. B. Nicklin, of Chattanooga, as president of the league, was ratified. Manager Ted Sullivan has completed arrangements for the sale of the Nashville club to a company of business men of that city, who will choose a manager and play the remainder of the season. The matter of Abbey, who is claimed by Pittsburg, was left open to hear more evidence from both sides. Mobile made no attempt to blacklist Catcher Ed. Jantzen, of Chattanooga, and the matter was not brought before the meeting.

GAME ENDED IN A ROW.

The Petersburg-Forest Hill Contest Given to the Former Team.

PETERSBURG, VA., July 15.—Special. The ball game this afternoon ended in a dispute during the seventh inning, and the large crowd that had assembled went away thoroughly disgusted. The game was not played to a finish. In the seventh inning Foster, of the Forest Hills, threw a third base to catch Spark, and Foster missed the ball. Spork could easily have gone home, but was clearly blocked by Napier. As soon, however, as he could get away, he started for home, and was thrown out at the plate. Captain Kiefer called the umpire's attention to the fact that Spork had been blocked, and claimed the run. Captain Cullen contended that he had not been, and insisted that the man was out. Umpire Clements, as a compromise measure, ordered Spork back to third, but Captain Cullen refused to accept this. The umpire tried to his decision, whereupon Cullen ordered the team to leave the field. After awaiting the usual length of time, and the Forest Hills team not consenting to play, the umpire awarded the game to the Petersburgs by a score of 9 to 0.

At the time the dispute arose the score stood 7 to 3, in favor of the Forest Hills. Long pitched the first two innings for the home team, and despite a little wildness, did exceedingly well. In the third inning Quarles was substituted, and he pitched the remainder of the game effectively. In the first inning the home team went to pieces, and allowed the visitors to make three unearned runs. This lead

was increased from time to time to seven runs. The home team could only get four hits off Blankenship, and only three men crossed the plate. The visitors out-batted and out-fielded the home team, and would probably have won the game had they continued to play. The fielding feature of the game was the one-handed catch of Belcher. It is very unfortunate that the squabble occurred, but the Petersburg players were in no way responsible for it. The following is the score by innings: R. H. E. Forest Hills.....3 1 1 0 1 0 7 4 5 Petersburgs.....3 0 0 0 0 3-3 4 5 The Virginia will play here Tuesday next.

YALE WINS THE CUP

By Defeating Amherst—The Virginians Occupy Second Place in the Contest.

CHICAGO, ILL., July 15.—Special.—The first intercollegiate base-ball tournament is a thing of the past, and Yale is winner of the championship and all the honor. The University of Virginia occupies second place in the race, with Amherst a good third. The latter club had a fighting chance for first place today in the game until the sixth inning, when they went all to pieces and allowed Yale to score the only runs made in the game. They played an errorless game with the exception of this inning. Then Yale got five men to first on balls, made three base hits and sent nine men over the home plate.

The great and only Carter was too much for the Amhersts. He struck out fifteen men, and was charged with only three hits.

Mayor Harrison was present, and, after the game, presented the Spaulding cup to the victors.

The game was a magnificent one, and Yale scored in only one inning, but nine runs came across the plate before the inning was over. The Yale and Amherst college yells were shouted at every good play. R. H. E. Yale.....000000000-9 7 3 Amherst.....000000000-0 3 5 Batteries: Carter and Kedzie; Gregory, Colby and Allen.

THE EXECUTION TO TAKE PLACE.

The Nine Condemned Indians to Be Shot for Their Crimes August 4th.

CADDIS, I. T., July 15.—The conference arranged between Governor Jones, of the Choctaw Nation, and Inspector Falsion, of the Interior Department, took place yesterday.

Governor Jones speaks very little English, and his private secretary acted as interpreter. Those present at the conference refused to say what took place, but it can be stated with confidence that on August 4th, execution of the death sentence upon the nine will take place. Inspector Falsion says that he is now convinced that the murderers were fairly and properly tried and condemned.

Governor Jones said the same, and adds that the sentence will be carried out on August 4th. Members of the Locke faction who were in town say if the United States Government wants to save the lives of the condemned men, all that is needed is to withdraw the United States troops now stationed at Antlers, and the Locke people will do the rest.

WASHINGTON, D. C., July 15.—The Secretary of the Interior today received from Chief Jones, of the Choctaw Nation, a letter in which he expressed his views as to the interference of the Government in the execution of the nine Indians sentenced to be shot on August 4th. The Governor asserts that the men were legally convicted, and he enters a protest against unwarranted interference of the United States in the affairs of the Territory, with which they can have no concern.

RIOT IN BARBOURVILLE.

Several Hundred People Engage in a Free Fight—Two Injured.

NORFOLK, VA., July 15.—Special.—Tonight a message was received at police headquarters that in Barbourville, a suburb of this city, three or four hundred people were engaged in a free fight and several men were dangerously wounded. It appeared that Albert Simpson and W. A. Hays, both white, got into an altercation, occasioned by the collection of a bill. Friends of both parties interfered, and in less than two minutes there were more than 150 people actually fighting and several hundred looking on. Simpson received six dangerous knife cuts. Hays was struck three times on the head with a brick and badly wounded. Several others came out of the riot with wounds. A squad of policemen dispersed the rioters and captured the leaders.

The Democratic executive committee has issued a call for a mass demonstration Thursday night next, to elect delegates to the Richmond convention. The city is entitled to forty-five delegates. There will be hot fights in some of the wards.

SAN FRANCISCO, July 15.—The steamer Peur arrived from Hong Kong and Yo Kio via Honolulu this morning, bringing the following advices from the latter place: The examination of the conspiracy case has resulted in the discharge of Crick on July 3d and the committal of Walker and Sinclair for trial. The heads of the police consider the Royalist plans to be substantially broken up as a result of the trial. Walker appears to have been the active military leader of the conspiracy. He is a British subject and served under Cufer. He is a daring man.

United States Minister Blount is impatient for the appointment of his successor, whose arrival will set him free to carry home his report.

DEADLY THUNDERBOLTS

A RESIDENCE FILLED WITH PEOPLE STRUCK BY LIGHTNING.

Three People Badly Injured—Governor Carr Appoints Delegates to the Pan-American Congress.

RALEIGH, N. C., July 15.—Special.—News reached here today that the electrical storm of last evening played sad havoc at Mr. Sid. Green's house, near Wakefield. This residence was struck by lightning, badly injuring Mr. and Mrs. Green and Mr. Purnell. Mr. Purnell and his wife were at Mr. Green's when the storm came on. Mrs. Purnell, becoming alarmed at the lightning flashes, took refuge on a bed in an adjoining room, and when the fearful stroke came she thus escaped. The others were not so fortunate.

The house was set on fire, and all of the others were prostrated. Mr. and Mrs. Green were severely burned, and left entirely unconscious. Mr. Purnell was more fortunate, and only his left arm was paralyzed. As soon as he recovered himself, appalled as he was by the disaster, amid the flashing lightning he undertook to save his unconscious friends from the burning building. One arm was entirely useless, but with the aid of Mrs. Purnell, he succeeded in dragging them out into the rain, away from the flames. Mrs. Green, although badly burned, has since become conscious; but Mr. Green remains still unconscious. He is a brother-in-law of A. C. Green, formerly State senator from this county.

Governor Carr has appointed the following delegates to the Pan-American Congress, to be held in Washington, D. C., September 5th, 6th, 7th and 8th: Drs. P. H. Hines, George G. Thomas, A. G. Carr, T. H. S. Burdett, J. A. Hodges, W. H. H. Cobb, T. D. Halsey, W. J. Jarvis, J. M. Baker, Charles Duffy, J. H. Logan, J. T. Johnson, R. F. Gray, R. L. Payne, J. H. Sumner, R. S. Young, Joseph Graham, R. JAMES A. GENTRY DEAD.

Sudden Death of This Well-Known Newspaper Man.

Mr. James A. Gentry, the well-known newspaper man, died this morning at half past 2 o'clock at his home, No. 429 South Pine street. His death was wholly unexpected and is a terrible blow to his aged mother and to his brothers and host of friends in every walk of life who join them in their sorrow when this notice is read.

Mr. Gentry had been indisposed for several weeks, but nothing was thought of it more than that he was suffering from an attack of indigestion. He was at work at his desk in the State office as usual yesterday, but went home a little earlier than usual, saying that he was feeling unwell. He retired at his regular bedtime.

A little before 2:30 this morning he went into his mother's room and told her that he was quite ill. She arose at once, but before she could light the lamp he had fallen to the floor, suffering from a hemorrhage. His friend, Mr. Paoli, the druggist, and Dr. A. J. Welford, were summoned at once. Mr. Paoli arrived within a few minutes, but death had already claimed his own.

James A. Gentry was born in Wilmington, N. C., on the 12th of December, 1840. He was the only one of five children, however, who was born out of Richmond, and he always claimed this as his native city. His early education was received in the schools of this city, but his education was completed in Montgomery, Ala. He returned here from the South in 1864, and this has been his home ever since. His war record is well known and he made a brave and daring soldier.

He first volunteered in Company H, First Virginia regiment, and afterwards joined the Elliott Grays, Company I, Sixth Virginia regiment, where he served. He was captured on the retreat from Petersburg to Appomattox and taken to Hart's Island, N. Y., from which place he was paroled in 1865. He then went to Manchester and became correspondent for one of the Richmond papers, and from that day to his death Mr. Gentry has been a writer and much loved member of the Richmond press.

He was also at one time Mayor of Manchester. Mr. Gentry has been connected with every paper in the city, but for the past few years he has given allegiance to the State. He was formerly city editor of that paper, but for several months past he has been on the regular editorial staff.

No arrangements for the funeral have as yet been made.

FATAL N. AND W. WRECK.

Two Men Killed Outright and Another Badly Injured.

ROANOKE, VA., July 15.—Special.—At Narrows, on the New River division of the Norfolk and Western railroad, two freight trains collided with frightful results at 6 o'clock this morning. Engineer Ranson was badly scalded, and Brakeman N. G. Houchins, of Roanoke, and Joseph Poole, fireman, of Wytheville, were instantly killed. Captain Ranson was brought to this city to-night. Houchins' body was taken to Radford, and Poole's body was taken to Wytheville for interment to-morrow. The engines and five cars loaded with coal are complete wrecks. Eleven cars were derailed, and the track was not cleared of the debris until 2 o'clock. It is supposed that the trainmaster of the west-bound train overlooked the east-bound train.

Two young men drove a horse and buggy over Mrs. J. M. Bredevoe and her little girl on the street at 10 o'clock last night, injuring them so badly that they cannot leave their beds.

J. T. Proctor, a propounding and highly respected young man, was arrested and tried today for assaulting Mrs. N. J. Huffman. The evidence developed the fact that he was mentally unbalanced, and he was therefore adjudged a lunatic.

About 100 teachers attending the summer School of Methods at Salem, excused to Natural Bridge today.

THE GOVERNOR MUST ACT.

The Court Thinks It Has No Jurisdiction in the Case of Dempsey and Beatty.

PITTSBURG, PA., July 15.—This morning the attorneys who represented Hugh F. Dempsey and Robert J. Beatty during their trial on the charge of poisoning Hemstead workmen, went into court and asked for an order empowering them to take the depositions of Patrick J. Gallagher and J. M. Davidson, who, according to their confessions, allege that they conspired with them in the crime for which they are now imprisoned.

Judge McClung stated that in view of the fact that there was not, at the present time, any petition for the pardon of Dempsey and Beatty pending before the Board of Pardons, he did not think that the Court had the power to grant the order as requested. He took the papers, however, stating that he would look into the matter, and once and give a decision at an early date. This was an unexpected turn to Gallagher's attorneys, who expected plain sailing.
